<p>Theme: Celebration</p>	<p>Date: 18 May 2012</p>
<p>Scripture: Praise the Lord! Praise God in his sanctuary; praise him in his mighty heavens! Praise him for his mighty deeds; praise him according to his excellent greatness! Praise him with trumpet sound; praise him with lute and harp! Praise him with tambourine and dance; praise him with strings and pipe! Praise him with sounding cymbals; praise him with loud clashing cymbals! ... Psalm 150:1-6</p>	<p>Comment: Today at Buckingham Palace, monarchs from all over the world are gathering to celebrate the Queen’s Diamond Jubilee. This is just one of many celebrations running up to the big festivities and street parties in June. These events often bring out ‘community spirit’ which also increases happiness and well being. This also works on a smaller scale – in our own marriages. Celebrating what God has done for us, in us and through us. Family, work, health & much more. Whether we sit and clink a couple of mugs of coffee and thank God together, open a bottle of champagne or go all out with a big party. Let’s remember to put in time to celebrate God’s provision.</p>
<p>Prayer (as a couple): Father, thank you for all you have given us. For your abundant blessing on our life. Help us remember to celebrate often! Amen.</p>	<p>Prayer (for others): Father, we pray for And Remind them of all you have done in their life. Amen</p>
<p>Final quote: Stop worrying about the potholes in the road and celebrate the journey! <i>Barbara Hoffman</i></p>	

Remember others will also be praying in this way this week. Together and with God we can make a difference.
